

International Conference on Ecohydrology and Climate Change

Conference Program

September 10th		
09:30 – 10:00	Opening Session	Room – O106
10:00 – 10:45	Plenary Session	Room – O106
	Chris Kilsby	Estimating future water resources using probabilistic climate scenarios and weather generators
10:45 – 11:00	Coffee Break	
11:00 – 12:45	PS 01 – Room O105	Water Resources and Management
	PS 02 – Room O104	Remote Sensing Geostatistics
12:45 – 14:00	Lunch	
14:00 – 15:30	PS 03 – Room O104	Extreme Events
	PS 04 – Room O105	Ecohydrology I
15:30 – 17:00	Organized Session	Modelling the climate and land use changes impacts on water resources. Portuguese and British case studies.
	Room – O106	
	Convenors	Tiago Domingos Madalena Moreira
	Speakers	Isabella Bavolo Sandra Mourato Tiago Domingos
17:00 – 17:15	Coffee Break	
17:15 – 18:00	Plenary Session	Room – O106
	Serge Rambal	View Mediterranean Oak Woodlands through an Ecohydrological Lens
18:00 – 19:30	Poster Session Barbecue	F Building

September 11th		
09:00 – 09:45	Plenary Session	Room O106
	José Luís Rubio	Impact of forest fires on soil properties and hydrological processes
09:45 – 11:00	PS 05 – Room O105 PS 06 – Room O104	Soil degradation and Soil Quality Environmental Policies and Social Impacts Operational and Dynamical Hydrology
11:00 – 11:15	Coffee Break	
11:15 – 13:00	Organized Session	Drought Risk Management
	Room O106	
	Convenors	Luís Santos Pereira João Tiago Mexia
Speakers	Isabella Bordi Elsa E. Moreira Ana Ambrósio Paulo Ricardo Rosa	
13:00 – 14:00	Lunch	
14:00 – 15:30	PS 07 – Room O105	Ecohydrology II
15:30 – 16:30	Organized Session	Large-scale Atmospheric Dynamics
	Room O106	
	Convenor	Uwe Ulbrich
Speakers	João Andrade Santos Gregor C. Leckebusch	
16:30 – 16:45	Coffee Break	
16:45 – 17:30	Plenary Session	Room O106
	Winfried Blum	Environmental Policies and Social Impacts, with regard to Land and Soil Management
17:30 – 18:30	Group Photo Conference Dinner	Meeting Point Room O106

September 12th

09:00 – 10:45

PS 09 – Room O105 **Soil functions and Land Use**
PS 10 – Room O104 **Climate Change**

10:45 – 11:00

Coffee Break

11:00 – 11:45

Plenary Session **Room O106**

Qian Budong Climate change and its potential impacts on Canadian field crop production

12:00 – 12:30

Closing Session **Round Table – Room O106**

Chair João Corte-Real
Francisco Carvalho
Uwe Ulbrich
José Luís Rubio
Serge Rambal

12:45 – 14:30

Lunch
